Bar & Restaurant Cars

A particular delight of the Golden Eagle is one of our beautifully appointed restaurant cars, the venue for our chefs to serve carefully-prepared meals using wherever possible only local ingredients. Whether it be the world-renowned 'Borscht' or Omul - a fish unique to Lake Baikal - we offer a culinary experience representing the very essence of Russia. Our meals are complemented by wines from around the world, as well as - naturally - vodka.

Yet the social heart of our train is the bar car, a great place to relax and settle into the unhurried pace of life on board. Unwind in comfortable surroundings and watch the world go by as you get to know your fellow passengers. Enjoy the sounds of the pianist playing in the evenings; and the bar stays open until the last person leaves.
